## FOCUS GROUPS FOR WEST END BUSINESS OWNERS

*Please join us to discuss ways to improve the business environment  
in the West End!*

### STUDY BACKGROUND:

Earlier this year, the City of Bristol initiated an in-depth study of the West End to better understand the neighborhood's dynamics and to develop a plan to reinvigorate and improve the neighborhood in the coming years. One key feature of this study is the participation of the neighborhood's stakeholders, including the business community.

### ABOUT THE FOCUS GROUPS:

As part of the West End Neighborhood Study, we are developing recommendations for strengthening the West End business sector. We invite you, as a West End business owner, to join us for one of two upcoming focus groups. Our discussion will be focused on the specific needs of West End businesses. We need your feedback and ideas about **how to improve the business environment to help West End businesses thrive!**

Please RSVP for either focus group:

DATE: Monday, June 23, 2008

TIME: 6pm to 7pm

-- OR --

DATE: Wednesday, June 25, 2008

TIME: 8am to 9am

Both focus groups will be held at:  
Imagine Nation Museum  
One Pleasant Street, Bristol
